

Accessibility Guide

Barramundi Adventures Darwin is committed to making our experiences inclusive and welcoming for everyone. We want all guests — regardless of age, mobility, or ability — to enjoy the excitement of barramundi fishing and the natural beauty of our venue.

Physical Accessibility

- **Wheelchair Access:** Our main fishing deck is wheelchair-accessible, ensuring all guests can take part in the fishing experience safely and comfortably.
 - **Accessible Amenities:** We provide accessible bathrooms and pathways throughout the venue.
 - **Parking:** Dedicated accessible parking bays are available close to the main entrance for ease of access.
 - **Seating Areas:** Shaded seating is available throughout the venue for guests who may require regular rest.
-

Fishing Experiences

- **Fishing for All:** Guests with mobility challenges can fully participate in fishing from our main deck, with staff on hand to provide additional assistance.
 - **Hand Feeding Barramundi:** While the hand-feeding activity is not accessible for wheelchairs due to pond layout, all guests are welcome to watch and enjoy this interactive experience.
 - **Smaller Session Sizes:** To enhance comfort and support, we cap our fishing sessions at 15 people, allowing more personalised assistance and creating a relaxed environment.
-

Support for Guests with Disabilities

- **Staff Assistance:** Our team is experienced in supporting groups with disabilities and will provide assistance to ensure no one misses out.
- **Educational and Sensory Engagement:** We adapt educational components of our sessions to suit different needs, offering both hands-on and visual learning opportunities.
- **Community Groups:** We regularly host disability support groups and ensure each guest is included in the experience.

Communication and Information

- **Clear Signage:** Large, easy-to-read signage is displayed throughout the venue.
- **Pre-Arrival Information:** Guests are encouraged to contact us before visiting to discuss any specific requirements, so we can prepare and provide the best possible service.
- **Visitor Education:** Our team is committed to clear, patient communication, ensuring every guest understands the fishing process and feels included in the fun.

Commitment to Inclusivity

Accessibility is not just about facilities — it's about creating a welcoming environment for everyone. We continually review guest feedback and look for ways to improve inclusivity, from facility upgrades to staff training.

If you have accessibility needs, please reach out to us before your visit. We are here to help ensure your day at **Barramundi Adventures Darwin** is enjoyable, safe, and memorable.
